REFERENCE: White House Memorandum, dated 2 February 1982,

1. Reference tasks Agency heads to forward to the National Security Council (NSC), by 15 March 1982, implementing instructions on procedures for the protection of classified NSC and intelligence information.

2. The Office of Security has prepared a response to reference for your signature (Tab A). It advises that a regulation has been drafted covering the prescribed procedures and safeguards for NSC information.
